*God Desired A Busy Angel  
To Sit Around His Throne*

*God desired another "Busy Angel" to sit around His Throne  
So, He called Algie home one late evening.  
He said, "Algie, you've worked hard, been faithful in  
your church, school, community and home.  
There is no need to feel depressed or alone,  
You're going home!  
You've done your best, you've stood the test,  
and now you need sweet rest.  
Sit here with the Angels, try on your wings,  
Smile and listen to the Angel's Choir sing.  
You were a leader and a child of God.  
It's time now to walk where Angels trod."  
And we too, will meet her if we're pure and good.  
Then we will be chosen as one of God's "Busy Angels"  
to sit around His throne.*
